female digital starters

The Digital Leadership Institute, Women's Entrepreneurship Platform and their partners organize the **Move It Forward - female digital starters event for Women versus COVID19** to address the challenges that disproportionately affect women in this crisis period.

The event is organized in support of the #EUvsVirus hackathon by the European Commission, and in celebration of Girls in ICT Day 2020!

Privacy considerations for the webinar

- ▶ The webinar is being recorded and the Opening and Closing Sessions will be broadcasted live on Facebook;
- ▶ Only hosts and panelists can see the full attendees list;
- ▶ Your names will show up in the chat box if you write a message;

Practical considerations for using Zoom

- ▶ Once you joined the webinar your camera and microphone will be automatically off, the video and sound will be those of the host and panelists;
- ▶ Use the Q&A feature to post your questions for the speakers;
- ▶ During the Q&A Session and the Brainstorming and Project Ideation Session use the Raise your hand feature to request permission to speak and the host will enable your microphone and camera for the duration of your question/comment;
- ▶ Share information with the speakers and other participants using the Chat feature.

Code of conduct

- ▶ If you will not be able to attend all scheduled activities, or if you have a last-minute difficulty with participating, please let the organisers and your project team members know right away;
- ▶ Particularly, during the project work designate one or two project leaders to coordinate the effort of the team, and make sure you inform them about possible disruptions;
- ▶ Make sure your video and sound are off during the presentations of the speakers;
- ▶ For the Q&A Session and the Brainstorming and Project Ideation Session try to limit your time to **1 minute**;

All contributions are encouraged!

- ▶ We have foreseen time for lunch/breaks, make sure you are well fed during the entire weekend, especially during the project work.
