

accountable

The app for self-employed

Hi, I'm Heleen

**Customer Success
Officer Belgium
@Accountable**

accountable

1. Becoming self-employed in Belgium
2. How to optimize your taxes
3. Introduction of Accountable

1. Becoming a self-employed professional in Belgium 🇧🇪

Start as self-employed

👉 **Go to an enterprise counter**

-> they register you at the Crossroadsbank for Enterprises

👉 **Subject to VAT or not?**

👉 <€25.000: option to be franchisee

👉 Quarterly VAT declarations & payments

👉 **(Open a bank account)**

Taxes in Belgium

👉 Social contributions

👉 Every quarter

👉 VAT

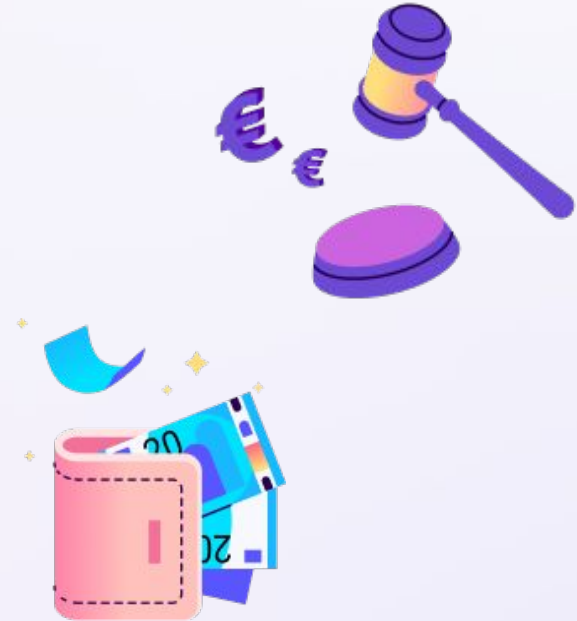

👉 Every quarter

👉 <€25.000: option to be franchisee

👉 Income tax

👉 Every year

👉 Quarterly prepayments

Important deadlines not to miss

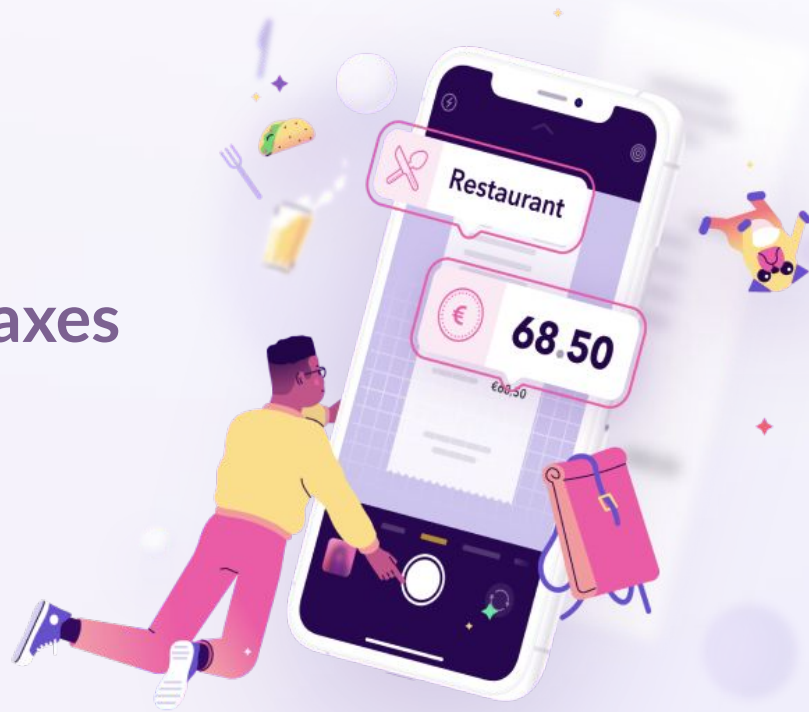

👉 VAT (quarterly): Every 20th of the first month of a new quarter

👉 Social contributions (quarterly): Every 25th of the last month of the quarter

👉 Income tax (yearly): In July, the year after the year you are submitting for

2. How to optimize your taxes

Deductible expenses as a self-employed ✨

👉 What counts as a professional expense?

👉 How do I prove them?

Some examples of deductible expenses ✨

👉 Starting expenses

👉 Transportation

👉 Internet & telephone subscription

👉 Meeting a client (restaurant)

👉 Any software you use for work (eg. Accountable)

👉 Social contributions

The place to be: All you can deduct
